ABOUT BLEND CREATIVE TEAM

WE WORK REMOTE

We don't believe in the old mentality of working in an office 9-5. We took the challenge to cut costs and to blah blah

OUR TEAM IS DIVERSE

We've had traditional titles, but none of them quite captured the extent of what we do. Many of us have worked for agencies and publications under titles like Director, Senior Creative, Content Writer, Editor, Senior Interactive Designer, Blogger and Editor-in-Chief.

WE ARE CREATIVE AS HELL

We prefer to think of ourselves as thinkers, artists, creators, storytellers, communicators and innovators. Bottom line? We have what it takes to make exceptional content, design, guidance and marketing for your audience.

THIS BE SHAIR

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum

The Brief

Create a classic look and feel that best represents the arcade games of the 1980's. "SKYCURSER" is a horizontal, meat-on-metal, shoot 'em up (shmup) that is in active development for JAMMA compatible arcade cabinets.

The Story

The game portrays the heroic events surrounding Guy Griffin's attempts at destroying the source of a space-based plague that has infected the planet and left him as the last man on Earth. Aiding him in ridding the world of the plague is an advanced war-plane, SKYCURSER, designed and built by his grandfather in response to premonitions he had about the end of the world.
