# FIELD CRAFT

OBSERVE // PREPARE // SURVIVE  
ONLY THE PREPARED SURVIVE.

## WHO WE ARE

FieldCraft LLC brings you U.S. Special Forces approved equipment, training, and consultation from decades of operational experience in hostile environments. Our goal is to better prepare the American citizen with knowledge and equipment that preserves life in worst case scenarios. All tactics, techniques, and procedures were developed and gathered by former Special Operations soldiers and Subject Matter Experts in their particular field of expertise.  
OBSERVE, PREPARE, SURVIVE.

## SURVIVAL & PREPAREDNESS TRAINING

Copy needed : Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

# BLOG OR STORIES

## GO-bag

I remember the first time I used a go-bag. It was in a remote Special Forces (SF) fire base located in Naray, a district of Kunar Province, located in northeast Afghanistan, bordering Pakistan. Naray is in a valley surrounded by beautiful snow-capped mountain peaks, with a river that cut through the mountains and formed the valley in ancient times. It resembled a quaint Eastern European village and reminded me of photos I had seen of the Swiss Alps. The beauty surrounding us contradicted the ugly reality of an impending doom that was approaching us.
